Thank you so very much Cohen.

I also have
Impact Networking, LLC
2901 Peoria Street
Peru, IL 61354
www.ImpactMyBiz.com

They supposedly also work out of Rockford and now support Ogle County HA – which is a smaller HA.

They are coming in next Wednesday to talk servers. Hopefully, I can get a quote out of him ASAP (and yes, I will share that info with you)

Once I receive that quote – I will add it to my comparison spreadsheet – run it by the grand pooba (aka Shelly) – I am guessing she will want to give the board a little more in depth facts and figures (they already know our server has to go). And then we will give you the go to order.

Vivian,

Does this help you with having a competitive quote? If so, what are next steps for moving forward?
